

## Story Writing (Beginners)

Develop stories with the following beginnings:

1. One of the boys in the village, Shankar, was sent out into the fields to look after the sheep. As he walked towards the field, he stumbled upon something. He looked closely and found that it was a .....
2. Ali was a carpenter in Kohlapur, a village near Puri. Hasan, a wood seller, brought him wood every day on his donkey. Hasan was a cheat and always thought that Ali was too dumb to catch him. One day when Hasan was loading wood on his donkey's back, .....
